Dear Mr. Stanton:

This is in further response to your Freedom of Information Act (FOIA) request of April 4, 2013, requesting the status of your FOIA request, in that you requested a list of all contractors and their known subcontractors who are performing or have performed work in the past for the 780th Military Intelligence Brigade and all of its subordinate units, as well as brief summaries of the nature of the work performed by each of said contractors and supplements our response of May 14, 2013.

In accordance with Army Regulation 25-55, The Department of the Army, Freedom of Information Act Program, a record must exist and be in the possession and control of the DoD at the time of the request to be considered subject to this regulation and the FOIA. There is no obligation to create, compile, or obtain a record to satisfy a FOIA request.

Coordination has been completed and no records responsive to your request were located.

Major General Stephen G. Fogarty, the Commanding General, U.S. Army Intelligence and Security Command, is the Initial Denial Authority in this matter under the FOIA. You may appeal this response to the Secretary of the Army. If you wish to file an appeal, you should forward it to this office.
